General Disclaimer: This edition of our Winter Specials was designed to provide our Customers with simple money-saving opportunities on complex upgrades, and several of these offers allow for flexibility in component selection. As such, Man O' War Harley-Davidson will only fulfill Winter Specials for customers who work directly with a Parts and Accessories Specialist and/or Service Consultant to configure, schedule, AND install their upgrades. Customers must purchase their parts from Man O' War Harley-Davidson during the Winter Specials promotional period, and installation must be scheduled at the time of purchase to qualify. Parts discounts will not be offered without installation by the Man O' War Harley-Davidson Service Department. Once you have worked directly with a Service Consultant and/or Parts and Accessories Specialist to select your components and finalize your installation quote, Man O' War Harley-Davidson will apply the appropriate discount to the TOTAL cost of the upgrade** installation prices subject to change due to additions, substitutions, and/or extraordinary selections*** Winter Special Parts and Service charges must be paid IN FULL, and you must take delivery of the bike to qualify. Specials are subject to change and may end at any time. Expires 11/15/2022.
